AHA LOTION 15

A completely non abrasive formula which results in an unbelievably smooth, younger looking skin

AHA LOTION 15

A potent yet gentle exfoliating formula designed to smooth and clarify uneven skin texture

KEY INGREDIENTS:

- **Glycolic Acid (15%):** Works by inhibiting the growth of P. acnes, exfoliating the skin, removing dead skin cells & unclogging pores.
- **Milk Protein (1.15%):** Effective in regenerative care of stressed and aging skin, for prevention of damage causing premature skin aging and, at the same time, for enhancing an even pigmentation.
- **Multifruit BSC (1.25):** Non-irritating blend of fruit acids exfoliates the dead skin layer removing the hyperpigmentation and promotes cell renewal.

WITH 15% ACTIVES

BENEFITS:

- Improves skin texture.
- Helps achieve the utmost radiance.
- Resurfaces & refines skin.

INDICATIONS:

**Keratosis
pilaris**

**Itchy, hard &
scaly skin**

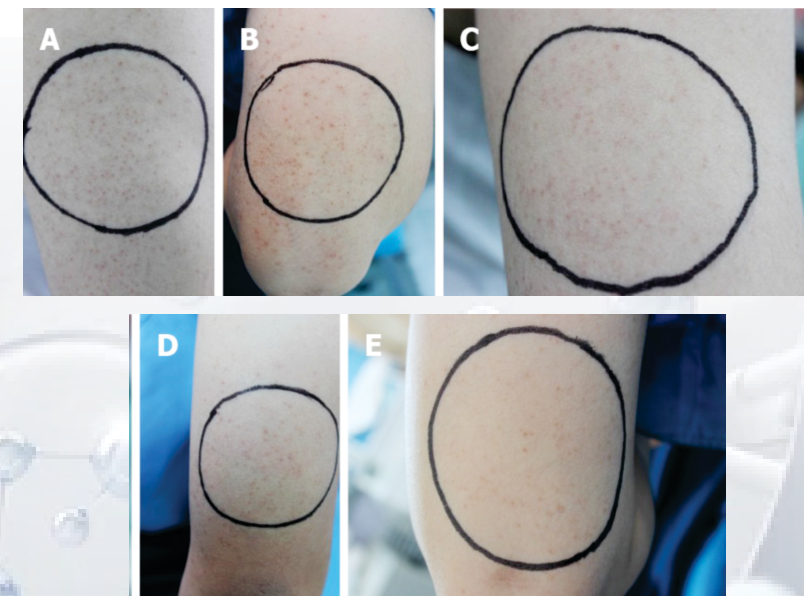

**Dull &
dry skin**

Clinical Study

A high concentration of glycolic acid was a safe and efficacious treatment for keratosis pilaris, and that improvement was achieved rapidly.
